To Whom It May Concern:

Mrs. Shirley Johnson, with Innovative Office Systems, has been providing the copiers/printers for our Church office for over fifteen years. She is very knowledgeable about the type of equipment that is best for our needs. She is able to look at what our needs are and determine the most efficient and less costly equipment for our offices.

Mrs. Johnson has always been very courteous and responds quickly to any questions we may have, and makes us feel as if we are her only customer. Customer service at Innovative Office Systems is great. The few times that we may have had to call for service, the response time was very fast.

Mrs. Johnson has also provided the copiers/printers for my employer as well. We have several printer/copiers which are used for a variety of tasks and we are very satisfied with the recommendations offered by Mrs. Johnson.

I highly recommend Mrs. Johnson for your office technology needs. If you would like further information, please do not hesitate to contact me.

Sincerely yours,

Marilyn Smith
Secretary, Trustee Board
